Supply Chain Transparency Statement

Fresh from Texas, LLC, and its subsidiaries are committed to eliminating slavery and human trafficking from their supply chains. To achieve that goal, we include as a part of our supplier quality expectations, a requirement that our suppliers certify that the materials they provide comply, and will continue to comply, with all current laws regarding slavery and human trafficking of the countries in which they do business. In addition, our supply chain team evaluates suppliers carefully to detect any non-compliance. In the event we discover any non-compliance by any supplier, we will not hesitate to cease doing business with that supplier.
